RESOLUTION NO. _____

RESOLUTION REQUESTING THE COUNTY MANAGER AMEND THE COMMUNITY SMALL BUSINESS ENTERPRISE ORDINANCE TO ADD THE DEFINITION OF "CONSTRUCTION RELATED TRADES" THAT INCLUDES BUT IS NOT LIMITED TO "MATERIAL AND DEBRIS HAULING" TO BE UTILIZED WHEN THE COUNTY CONTRACTS FOR CONSTRUCTION PROJECTS, AND FURTHER REQUESTING THE COUNTY MANAGER DEVELOP A BRIDGE-TYPE ECONOMIC DEVELOPMENT PROGRAM FOR BOARD OF COUNTY COMMISSIONERS' CONSIDERATION WITH THE PURPOSE OF PROVIDING TRANSITIONAL ASSISTANCE BENEFITING SMALL HAULING CONTRACTOR BUSINESSES WHO PARTICIPATED IN THE COUNTY'S FEMA-FUNDED CANAL DREDGING HAULING POOL

WHEREAS, in order to improve our local economy it is the policy of this Board to promote small businesses in County construction contracting by, in part, the utilization of Department of Business Development-designated Community Small Business Enterprises when deemed appropriate; and

WHEREAS, with regard to the County's FEMA-funded canal dredging program, on April 22, 2003, this Board adopted Resolution No. R-379-03 requiring at least 50 percent of all sediment removed from such canals be hauled by the members of the hauling contractors pool (Contract Bid Number 7132-4/07-OTR-LW) which consisted, in part, of 18 small businesses; and

WHEREAS, these 18 small businesses have benefited by their participation in said canal dredging program and thereby have been a successful part of the County policy to assist in the growth of small businesses so as to better our local economy; and

WHEREAS, the FEMA-funded canal dredging program successfully concluded on November 1, 2004; and

WHEREAS, this Board desires to continue to promote small businesses designated as Community Small Business Enterprises to include these 18 small businesses; and

WHEREAS, at this time there is no Community Small Business Enterprise “Construction Related Trades – Material and Debris Hauling” category and creation of such would promote small businesses in Miami-Dade County; and

WHEREAS, any such creation will require a necessary amount of time for legislative consideration by this Board; and

WHEREAS, a bridge-type economic development program with the purpose of providing transitional assistance benefiting small hauling contractor businesses who participated in the County’s FEMA-funded canal dredging hauling pool may promote the continued growth of said 18 small businesses during the gap between the conclusion of the canal dredging program and the creation of a Community Small Business Enterprise “Construction Related Trades – Material and Debris Hauling” category,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board hereby requests the County Manager to develop for this Board’s consideration an amendment to the Community Small Business Enterprise Ordinance to add the definition of “Construction Related Trades” that includes but is not limited to “Material and Debris Hauling” to be utilized when the County contracts for construction projects, and to further develop for this Board’s consideration a bridge-type economic development

program with the purpose of providing transitional assistance benefiting small hauling businesses who participated in the County's FEMA-funded canal dredging hauling pool.
